

(30280) Raderlane = 2000 HS₅₆ Discovered 2000 Apr. 24 by the Lowell Observatory Near-Earth Object Search at the Anderson Mesa Station.

Nicholas Rader Lane (b. 1987) is the Dark Sky Ranger at Grand Canyon National Park. He plays a key role in the effort to preserve and promote dark skies in the park. He coordinates the annual Grand Canyon Star Party and helped lead the park's successful push to become a certified International Dark Sky Park.
