Bonny,

Sorry, I don't have a single one, but see my one note in red below.

I presume you have Stephenson's [The Language of the Land](#).

Do you have these CDs?

CD Hadza Bushmen of Tanzania 3, Kink Gong
CD Hadza Bushmen of Tanzania 4, Kink Gong
"Harota" - The Hadza - King of Zeze... [or Ze ze]
Hadzabe, By the Light of a Million Fires

I also have photocopies of the blurbs for a CD Musique du Monde - The Music of the Hadza Bushmen of Tanzania,
- Buda Musiqie, with 36 pp of CD sized text? The CDs might be with me too, but I can't find them.

If you want to borrow any of these, I could send. - John
